

On-Site CPR

CAPABILITIES STATEMENT

On-Site CPR is a NYS Certified Minority Business Enterprise (MBE) servicing NYS. On-Site CPR specializes in health care safety training and has been operating for over 10 years in accordance with the American Heart Association guidelines. The company provides CPR, AED, First Aid and Blood Borne Pathogens throughout the NYS for Schools, Health Care facilities/Providers, and the community. Licensed through New York State Education Department we also teach "CPR/AED & First Aid for Coaches". This is a required certification by the state in order to receive and maintain a valid coaching license.
