

Capability Statement

www.managingsafety.com

Managing Safety Solutions is a premier provider of safety staff and consulting services for the construction and general industry. Our goals are to assist both small and large companies in reducing injuries, accidents and environmental impact, and ensuring compliance. We achieve this with a team of highly qualified and experienced safety professionals. Our safety contract and consulting teams can assist on a part-time basis or on a full-time capacity. Regardless of the size of your operation, Managing Safety Solutions can provide professional safety staff and consulting services (including bi-lingual professionals) to your company at a frequency that meets your needs and improves the overall safety and risk management of your operations.
