

CAPABILITIES STATEMENT

Taylor'D Medical Management is a medical billing and coding firm offering local and remote services to public, private, government and franchise medical practices. Based in Austell, GA just 20 minutes northwest of Atlanta we strive to offer consumer satisfaction replete with professionalism and hospitality, available to meet both corporate and entity mandates. With over 15 years of certified professional coding experience, we work directly in compliance with the American Association of Professional Coders (AAPC).
