

# Capability Statement

www.trad-enterprises.com

The mission of **TRAD Enterprises LLC** is to provide world-class support to our customers by delivering engineering services, analysis, design, and implementation. Our core business is built on establishing and maintaining long-term relationships with our clients and striving to provide the highest quality Engineering, Facilities, Construction, and Logistics Services. TRAD strives to continually improve the quality of our processes and teams through thorough review and improvement of best practices. Our responsiveness to performance issues is a key component to TRAD's business model. We deliver on-time within budget, while demonstrating the highest professional standards.
