

Capability Statement

www.rocpassivehouse.com

Rochester Passive House Consulting, LLC is the most experienced high performance building specialist in the Finger Lakes region and beyond. With extensive experience in both single family homes, multifamily buildings and even commercial buildings RPH Consulting can assist in meeting the energy usage goals of your particular project. RPH Consulting can provide assistance in any aspect of the build, from design, value engineering, thermal bridge modeling, field inspections and building commissioning.

Whether you are building new, renovating or simply expanding, Rochester Passive House Consulting can make sure your project will achieve comfort through energy efficiency.

Rochester Passive House Consulting prides itself as being a Service-Disabled Veteran Owned Business, registered both in New York State and through the Federal Government. We must always honor those who have given their lives so we can enjoy the many freedoms of our great country.
