Capabilities Statement

CAGE: 8NS54 Duns: 117587426

ABOUT US

Since 2017, Verify 3D has helped streamline renovation projects and decrease risk for Owners, Architects, Engineers, and General Contractors. We provide 3D Laser Scanning and 3D CAD/BIM modeling of as-built conditions. Our work is about creating efficiency in the construction industry using spatial measurement technologies.

CORE COMPETENCIES

- 3D Laser Scanning Field Services
- 3D BIM (Revit)
- 3D/2D CAD
- As-built models
 - Architectural
 - Structural
 - Mechanical
 - Electrical
 - Plumbing
 - Terrain
- 3D Inspection
- Change Detection and Monitoring

DIFFERENTIATORS

- President has 18 years of experience managing laser scanning projects across many industries.
- Experience with defense projects in ship building and missile manufacturing.
- Experience with clean room environments.
- Experience with confidential projects.
- Experience underground.
- Proficient with various scanner types and 3D modeling software.
- We help our clients gain the highest value from point clouds with free viewers, collaboration tools, and technical support.
