

Capability Statement

www.ncrcredit.com

National Credit Reporting (NCR) has been a leader in the applicant screening industry since 1984 establishing a reputation as a company committed to excellence in customer service and satisfaction. As a full service background screening company, NCR has actively maintained a wide variety of products and services, with the latest technologies available. Through our tenure and specialization in criminal record management, we are one of the few companies in the U.S. that has secured a contract as an approved Channeler of FBI Criminal History Record Information (CHRI). National Credit Reporting's ability to channel fingerprint requests for FBI criminal record information has completed our repertoire as a provider of the most complete and comprehensive criminal record and background screening information available.
