

## Capability Statement

**Master Pavement Line Corp.** was incorporated in the year 2006 under the commonwealth of Puerto Rico. Located in the west part of the island, we offer road striping, runway striping, friction testing, maintenance, rubber removal, road signage, and guardrail installation. Our philosophy remains the same as it was when we performed our first paving project: To provide the best paving products and quality asphalt services as Puerto Rico's first-rate paving contractor trusted to complete every paving project on time and within budget.
