

CAPABILITY STATEMENT

ARCHIESEARCH.COM

Archies Search Consultants, Inc. provides expert recruitment and consulting services across industries such as energy, commercial real estate, construction, manufacturing, and business tax incentives. As the prime contractor, we manage subcontractors to ensure streamlined service delivery. We leverage deep industry knowledge, a global talent network, and a focus on cultural fit to deliver top-tier professionals who drive organizational success. Our services include executive search, staffing, and tax credit consulting, all designed to meet the specific needs of our clients with a commitment to excellence and results.

CORE COMPETENCIES

- **Energy Recruitment:** Specialized recruitment for the energy sector, focusing on sustainable and innovative talent solutions
- **Construction Staffing:** Providing skilled professionals for the construction industry, with a focus on meeting project demands and industry growth
- **Manufacturing Recruitment:** Sourcing top talent for the manufacturing sector, emphasizing efficiency, innovation, and industry-specific expertise
- **Commercial Real Estate Recruitment:** Connecting leading commercial real estate firms with high-quality professionals to drive growth and success
- **Business Tax Credits & Incentives:** Expert consulting on navigating tax incentives, credits, and deductions to optimize financial outcomes
- **Management Consulting:** Effectively managing partner relationships with subcontractors, overseeing logistics, and providing ongoing consulting and support to ensure successful collaborations
