Why us?

Up to date with EPA certifications, OSHA compliant, Licensed and Insured

Flexible hours to accommodate clients timeline. Will work nights & weekends

Vergara Design and Construction was created to focus solely on a cohesive renovation process with high-end quality craftsmanship. Our team of experienced contractors have a breadth of knowledge and work diligently to ensure the quality of our service is unparalleled. Our contracting services include all the below and are designed to meet your renovation needs. We perform our work with only high-quality materials from brands like Benjamin Moore, Farrow & Ball, and USG Gypsum, to capture the finest finishes. In addition to a diverse range of premium specializations, and our partners, we have built our reputation as a company that provides top-notch services, and quick turn-around times, in order to ensure we reach maximum client satisfaction. We look forward to partnering together with you!
