

## CAPABILITY STATEMENT

## HIGHCOUNTRYTECHNOLOGY.US

High Country Technology, LLC specializes in manufacturing lightweight ATV/UTV trailers, including the Weekender Wagon, which weighs 219 lbs. and supports loads up to 1000 lbs. Our mission is to enhance mobility by providing durable trailers that maximize hauling capacity for ATV/UTV and Side by Side units, ensuring efficient transportation of supplies and materials.

## CORE COMPETENCIES

### ATV/UTV Trailer Manufacturing

- **Weekender Wagon Trailer:** Lightweight (219 lbs), high-capacity (1000 lbs load) trailer
- **Removable Trailer Tongue:** Easy travel and storage; fits in a pickup bed or stores on end
- **Tie Down Loops:** Secure extra gear or the trailer itself

### Efficient Storage Solutions

- **Weekender Storage Container:** Designed for pickup beds and lifted with a forklift for heavy loads

### Versatile Accessories

- **Multiple Lid Designs:** Options with gas struts or latches for an open trailer
- **Storage Enhancements:** Pack bag, quick clamps for axes/shovels, large handled totes
- **Water Hauling Solutions:** 25-gallon bench caddy, 63-gallon pickup bed caddy, Lucky Water Bucket
- **Portable Camp Table**
- **Spare Tire and Trailer Helper**

## COMPANY SNAPSHOT

**CAGE:** 9VZK7 **UEI:** NGCMXXKJNVG3 **EIN:** 88-2164406

**Gov. Business POC:** Karla Stevenson

**Phone:** (208) 455-5116

**E-Mail:** [karlastevenson2017@outlook.com](mailto:karlastevenson2017@outlook.com)

**Address:** 24728 Barbara Lane, Caldwell, ID 83607

**Work Area:** Nationwide

## DIFFERENTIATORS

- **Years of experience:** Over 35 years in HDPE fabrication
- **Lightweight Durability:** Trailers with heavy-duty welded metal frames, powder-coated for enhanced durability
- **Advanced Manufacturing:** Produced in Caldwell, Idaho, using roto-molded HDPE (High-Density Polyethylene) for superior strength and longevity
- **Customizable Designs:** Weekender body and lid available in various colors to match different ATV/UTV models
- **Air Struts on Lid:** Provides quick, easy access to gear with lids that stay open
- **Drainage System:** Integrated drain in the trailer bottom for effortless cleanup

## PRIMARY NAICS CODES

**336212 - Truck Trailer Manufacturing (1)**
