Capabilities Statement

JP Group Staffing excels in providing temp-to-hire and seasonal staffing solutions across the 48 contiguous states, specializing in light industrial sectors. We are committed to empowering businesses and the Haitian community, offering tailored workforce solutions that ensure quality and diversity. Our national reach and dedication to social responsibility make us a trusted partner in staffing excellence.

JP Group Staffing offers versatile staffing solutions for light industrial warehouses, including temporary and temp-to-hire services, seasonal workforce management, and skilled staffing for warehouse operations, material handling, assembly line production, facility maintenance, and safety compliance. We customize our services to meet unique client needs, ensuring efficiency, safety, and workforce quality.

Empowering Growth, Nurturing Diversity.

Core Competencies

- Workforce Flexibility
