

Mando Capability Statement

September 2023

Summary

Mando Company provides strategic advisory services and assurance services to commercial, not for profit and government organizations. Our Consulting can mobilize the right people, skills and solutions to help organizations improve their performance.

As a Professional Business with International affiliations with TIAG certification, Mando is committed to excellence and creating innovative and flexible solutions for our clients.

What sets Mando apart from the competition?

- Our People
- Performance-Based Processes
- Integrated Solutions Teams
- Client Relationship Management
- Strategic Networking with People and Businesses.

Past and Current Performance

- United Nations International Children Fund (UNICEF), Long-term Agreement for Micro-Assessment Service
- United Nations International Children Fund (UNICEF), Long-term Agreement for Spot-Check Service
- United Nations International Children Fund (UNICEF), Long-term Agreement for Audit and Special Audit Services
- United Nations Food & Agricultural Organization (UNFAO), Long-term Agreement for Third-Party Monitoring
- Sub-contractor for Particip Company (TPM activities for EU funded projects in Yemen)

International Affiliation Membership

In September 2018, Mando was recognized as the Yemen exclusive member of TIAG® and TAG Alliances. TIAG® (The International Accounting Group), founded in January 2003, is a worldwide alliance of independent accounting firms. The alliance has established a global presence and now has a membership of more than 115 firms in over 70 countries. With TIAG membership we are committed to the following while serving you:

- Dedication to 100% client satisfaction
- Thorough understanding of clients' business
- Continual awareness to anticipate clients' needs
- Knowledge of clients' industry and marketplace
- Commitment to responsiveness and accessibility

Experts in Assurance Services?

Assurance gives you the confidence of knowing that you are on track.

Early intervention can prevent risks becoming significant issues and minimize the impact of issues.

Building quality into your programs and projects through an effective assurance capability ensures that business outcomes do not get lost in the day-to-day delivery trade-offs that occur in any change initiative.
