

CAPABILITY STATEMENT WWW.3EYEINC.COM

Third Eye Inc. is a veteran-owned company specializing in cutting-edge solutions for home maintenance. Our flagship product, Smart Drain Pro, automates a partial draining process, enhancing efficiency, extending lifespan, and reducing costly repairs. By eliminating manual maintenance, Smart Drain Pro ensures optimal water heater performance, saving time and money. We are dedicated to delivering reliable, high-performance products that streamline operations and reduce long-term costs.

CORE COMPETENCIES

Smart Drain Pro

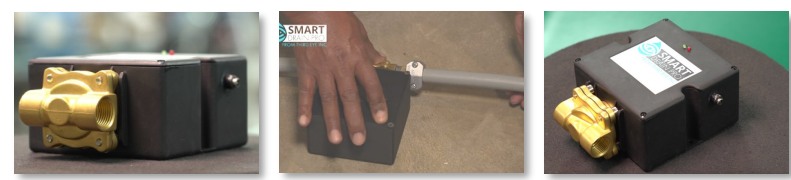

- **Innovative Product Design:** Smart Drain Pro is a revolutionary, easy-to-install device that automates a partial draining process of water heaters, ensuring they operate at peak efficiency
- **Enhanced Water Heater Performance:** By automating the maintenance process, Smart Drain Pro improves water heater performance, preventing inefficiencies and costly repairs
- **Increased Equipment Lifespan:** The device extends the lifespan of water heaters by reducing sediment buildup which causes the water heater to work harder and more frequently, leading to longer-lasting, reliable performance
- **Cost Savings:** Eliminating the need for manual maintenance and reducing the likelihood of expensive repairs saves both time and money for users
- **Industry-Leading Solution:** Smart Drain Pro is the only product on the market, providing an unmatched solution to streamline water heater maintenance and improve operational efficiency
