

Capability Statement

troysmalltruckingllc.com

Troy Small Trucking, LLC is a veteran-owned and operated full-service, tri-axle, end-dump, aggregate hauling and equipment transport business supporting commercial, federal, state and local government construction, excavating, and mining industries. We are uniquely positioned to provide aggregate hauling services for both the commercial sector as well as federal, state and local government agencies. Dump trucks are the most common way of delivering aggregates, such as sand, stone and gravel, to construction contractors; they are also the most common vehicle for removing grub, debris, gravel, dirt, soil, and other materials from construction sites both new and existing.

Core Competencies

- **Standard Dump Truck:**
Haul Grub, Top Soil, Native Soil, Rock, Boulders, Aggregate, Sand, Etc.
- **Demo-Bed Dump Truck:**

Differentiators

We understand the essential "needs" of our customers and we strive daily to meet them:

- **Speed:** Aggregate delivered on-schedule so as not to hold up work progression on the construction site
- **Response:** Trucks are in close proximity to construction projects, rock quarries, dump sites and construction material suppliers
- **Reliability:** Our trucks will be late model to new, consistently maintained and closely managed to ensure operational readiness
- **Price:** Always a fair and reasonable price for all our customers/partnerships
- **Licensed and Insured**
- **Drug and alcohol compliance**
