

CAPABILITY STATEMENT

Founded in 2010, LEAD Staffing has a national footprint that readily meets its customers on-demand staffing needs with a focus on safety as evidenced by our .99 EMR. At LEAD, we connect you with the skilled tradespeople and professionals who share your passion for building. We're a nationwide network, so no matter the size or location of your **industrial, marine, or commercial construction** project, we have the crew to make your vision a reality.

2024

DIFFERENTIATORS

INDUSTRY EXPERIENCE

- LEAD has been a member of ISNet World since 2012 with an awarded 100% score on its safety programs and processes from the RAVS Team
- 2022 Recipient of the American Equity Underwriters, Inc. (AEU) National Safety Award
- Employee-owned and operated through LEAD's Partnership Development Program (PDP) and Bonus Unit Plans

ONBOARDING

LEAD onboarding process involves six efficient and thorough mechanisms of screening.

- AI-driven candidate database of over 84,000 candidates, refreshed daily
- Ranked in the top 90% with a specific client in expected response time to submit candidates
- E-Verify/Background/Drug Screen/Site Specific Training
- Full certified payroll, prevailing wage, OCIP and CCIP documentation and reporting capacity

WORKFORCE TALENT

- We provide employees with one-on-one assistance and counseling to improve long-term growth opportunities.
- Insurance: \$4,000,000 / \$14,000,000, Nationwide Work Comp & USL&H
- Our robust benefit program includes 40 hours PSL, seven paid holidays, medical and dental.
- Craft performance bonus opportunities

PAST PERFORMANCE

We will provide customer references upon request.
