

CAPABILITY STATEMENT

ICEKINGWV.COM

Ice King, LLC specializes in commercial refrigeration, commercial kitchen, and HVAC mechanical services for restaurant, convenience, grocery, and food storage facilities. Additionally, we offer commercial refrigeration and residential HVAC repair and installation of heating, cooling, and ventilation systems. Our team of certified technicians, supported by trainees, ensures reliable and efficient service for all mechanical challenges.

CORE COMPETENCIES

- Commercial HVAC Service/Repair & installation
- Commercial Refrigeration Service/Repair & installation
- Commercial Kitchen & Food Preparation Equipment Service/Repair & installation
- Multi-Unit Housing & Residential HVAC Service/Repair & installation

DIFFERENTIATORS

- Ice King, LLC uniquely combines HVAC and commercial refrigeration services, with commercial refrigeration making up over 50% of our business, serving restaurants, bars, convenience stores, and more.
- We provide daily residential and multi-unit housing HVAC service and repairs throughout North Central West Virginia, addressing diverse HVAC/R challenges.
- Our certified technicians perform full installations and repairs of HVAC/R equipment for both residential and commercial clients, including new home construction projects with local contractors and developers.
- We offer rapid response times for emergency services, minimizing downtime and preventing significant losses for our clients.
- Established in 2012 with roots dating back to the 1960s, Ice King, LLC leverages over 40 years of owner Dan Waitz's industry experience to deliver reliable and honest HVAC/R solutions.
